Piccinini Asks \$18,600 For M'banks Park Strip

Cement contractor Dominic Piccinini Monday night in a letter to the council offered to sell a major portion of his property bordering Marchbank Park to the city for about \$18,600.

The offer climaxed weeks of negotiations between the council and Piccinini, sparked by public protest of the city's earlier failure to purchase the entire parking lot strip from Southern Pacific.

Mayor Michael DeBernardi said he believes purchase of the northerly half of the Piccinini land is financially "more practical" than buying the entire strip. Piccinini's offer would give the city the strip

from North Parkview to the end of the park's southerly boundary. Below this, Piccinini plans to establish a warehouse for storage lease to other building material firms.

Piccinini's request for C-2 zoning on his remaining portion of the old Southern Pacific right-of-way comes before the planning commission this Thursday night for hearing.

DeBernardi Monday noted that Piccinini's asking price for the 88-foot by 450-foot parcel to be sold to the city was about 50 cents per square foot—the same price the cement contractor paid when he purchased

the land from SP.

The council moved to take Piccinini's offer under study. They are expected to act on the deal before the first of the year.

Purchase of the property will allow the city to maintain adequate parking space at the park and access to the recreation site along North Parkview avenue.

Piccinini this summer paid Southern Pacific about \$31,000 for the right-of-way land after the council turned down its option to purchase the land, claiming it could not afford the expenditure.

Dennis Seeks Police, Fire Boards

He Wants To Return Old Units

Moving to fulfill another election pledge, Councilman Edward J. Dennis Monday night asked for the re-establishment of the police and fire commissions in Daly City.

Dennis seeks the return of the three-member boards which were eliminated two years ago on the recommendation of then City Manager Howard Stites.

The police and fire commissions were established here in 1952 as City Ordinances 356 and 361. Stites, assuming the chief administrator's job in 1955, advised the council that the two bodies were impractical for a city of this size.

Councilman Joseph Verducci has asked for a survey on the feasibility of re-establishing the ordinances here and he wants new City Manager George Watts to give his recommendation on the matter.

The two commissions before served as virtual "watchdogs" on the police and fire departments, making reports and recommendations as well as periodic investigations for the council.

MAYOR 'ALONE' IN VOTE ON NEW RESERVOIR

With only Mayor Michael DeBernardi opposing the idea, councilmen Monday night authorized Public Works Director Otis Calhoun to proceed with his designs for city reservoir No. 6, to be located in the upper Palisades.

DeBernardi cast a "no" vote against Calhoun's plans for a reinforced concrete tank. The mayor said he deems a steel tank more practical since Calhoun's report after reservoir site soil borings indicated that the tank would be located in the earthquake fault area and subject to slides.

Calhoun said it was his recommendation that a steel tank would not be a wise move economically. DeBernardi argued that it would be better to spend more money on a steel tank than run the risk of damage to a concrete one.

Councilmen Edward Dennis and Bob St. Clair backed Calhoun to the hilt. Dennis said he was satisfied with Calhoun's report and St. Clair got a "no" response from the works director when he asked if the new site would be more hazardous than earthquake-battered Palisades Reservoir No. 5.

DeBernardi pointed out that the city had no alternative for another reservoir site in the upper Palisades, though he and Verducci wondered about the "danger of slides" clause in (Continued on Page 2)

Council Appoints Schaeffer To Planning Post

Councilmen filled the vacancy on the planning commission Monday night, but deadlocked and delayed an appointment to the personnel board.

Named to replace Victor Sariotti on the planning board was attorney John E. Schaeffer, who lives at 752 North Mayfair avenue in Westlake. Nominated by Councilman Francis Pacelli, Schaeffer is employed by the firm of Cooper, White & Cooper in San Francisco. He is a graduate of St. Mary's College (Moraga) and USF Law School.

Mayor Michael DeBernardi, seconded by Councilman Edward Dennis, nominated Robert Young, a Treasure Island personnel man of 118 Vale street, for the personnel board. But Councilman Joseph Verducci, seconded by Pacelli, supported attorney Walter McElroy of Westlake for the post. Neither nomination gained a third vote as Councilman Bob St. Clair asked for more time to weigh the appointment. His decision will come at the next regular meeting.

Albert Polonsky, who recently resigned from the personnel board, was given a letter of commendation by council motion Monday night.

Bar Man Has 'Plan' For City

Tavern owner George Kirchhubel, who has attended as many council meetings as anyone in Daly City history, Monday night came up with two strong "recommendations" for council consideration.

Kirchhubel asked city fathers to seriously consider the annexation of Broadmoor and Garden Village and to work to establish a municipal court for the Daly City and Pacific areas.

Mayor Michael DeBernardi thanked the bar owner's ideas "constructive" and invited him to meet with the council at 8:30 p.m. to discuss both proposals.

Kirchhubel's letter read, in part: "At the present time we are confronted with the situation of having an inhabited 'unincorporated island' inside our city (this reference being to Broadmoor and Garden Village). As we must traverse through the streets of this section in order to provide service to our own area, it is natural for the city to provide services and protection to these people at a nominal cost."

On the municipal court, Kirchhubel said: "A provision of the government code provides that where federal census shows a city have a population of 40,000 or over, that city can apply for its own municipal judges. Such a court would save the police department many man hours as well as being a convenience and a saving to the areas. The district would hold all events include the coastal area and may well be a forerunner to additional county offices."

JUDGE TOSSES LIPMAN CLAIM OUT OF COURT

The \$150,380 damage suit filed by former Brisbane School Superintendent Natalie Lipman against the school board and several county officials has been thrown out of court.

Superior Court Judge Arthur J. J. J. ruled that the trustees, County Schools' Supt. James H. Sorenson and District Attorney Sorenson—defendant in case—cannot be harassed in performance of their jobs by civil suits.

Miss Lipman, who has resigned as superintendent of the Brisbane and Bayview districts, filed the suit early this year, charging the Brisbane trustees and county officials with defamation of character in relation to many disagreements with school board.

While serving as superintendent of the Brisbane and Bayview districts, Miss Lipman's salary totaled \$18,000, the highest pay for any school superintendent in California.

C Council Salutes Pacifica's Birthday

Councilman Edward Dennis headed the Daly City delegation this Sunday in the anniversary parade saluting the Pacifica.

Construction Booms, Breaks City Record

New construction begun here last month was the highest in Daly City's history, according to figures released today by Maurice Clark, assistant city building inspector.

A total of 176 building per-

mits were issued for construction valued at \$2,135,696. This exceeded all previous monthly totals and almost doubled the construction which began in September this year.

The vast Doelger and McKee developments in the southern section of Daly City comprised the bulk of the October total. Sixty-four permits were issued in Westlake Unit 10 for with total valuation of \$872,730. Zita Corporation was granted permits on 79 new homes in the St. Francis Heights subdivision. The latter permits were on construction valued at \$1,213,047.

The building permit breakdown for October: New dwellings, 144, for valuation of \$2,098,917; 19 dwelling alterations, \$22,339; four commercial alterations, \$8595; 7 neon signs, \$4875; one retaining wall, \$650 and one amateur radio tower, \$320.

Wild-Driving Youth 'Misses' Three Cops

Three Daly City policemen thanked quick reflexes for sparing their lives Friday night when a nearly-intoxicated 20-year-old sheet metal worker tried to run them down in speeding a way from a wild party here.

Jailed on charges of reckless driving and assault with a deadly weapon—the car—was Michael F. Ulrich, who listed his San Francisco address as 33 Rey street.

Officers James Bergstrom and Robert Crocker, along with Sgt. Dave Hansen nearly met their doom while attempting to break up a juvenile party at a home on Winchester street.

While the other "loud" youngsters were angrily preparing to leave, Ulrich reportedly jumped into his car and sped full-throttle down the

DALY CITY PRECINCTS

Demos Prevail Here

Daly City voters gave Democratic party candidates the upper hand in all the major state political races last week, according to first official figures released by the county.

Governor-elect Edmund G. Brown won in Daly City, 10,160 votes to 2960 for Senator William Knowland.

The other state hierarchy jobs found the Demos ahead by the following margins:

Lt. Governor — Anderson 7255, Powers 5647. Senator — Engle 8737, Knight 4178. Attorney General — Mosk 8699, Hillings 3913. Secretary of State — Lopez 6982, Jordan 5537. Controller — Cranston 7204, Kirkwood 3458. Treasurer — Betz 7329, Button 5110.

In Daly City returns, defeated Democrat Elma Oddstad had a 7404 to 5191 margin over incumbent Congressman J. Arthur Younger.

Demo Leo Ryan, South Francisco councilman, defeated GOP incumbent Louis Francis at Daly City's precincts for the 25th Assembly District job, 7308 to 5072.

T. Louis Chess, elected to the county board of supervisors, posted a 5013-4993 edge here over Daniel Monaco.

"No" carried in Daly City by overwhelming margins on the three major state propositions. The measure to reimpose a tax on private schools, Proposition 16, lost out in Daly City, 9561 to 3411.

Proposition 17, on reducing state sales, use and income taxes, was trounced, 10,729 "no" to only 1908 "yes."

Right to work, posed by Proposition 18, was turned down here, 9727 to 3224.

DC voting registration for the election was 10,946 Democrats and 5526 Republicans.

Tiny Moth Causes Some Big Concern
Butterflies in the stomach is a common nervous complaint. But who ever heard of moths in the throat?

Daly City firemen and Junipero Serra hospital doctors came upon the latter last week. Mr. and Mrs. William Hampton, 750 Skyline drive, rushed their 18-month-old son, Stephen, to Fire Station 5, believing the boy was choking on a piece of food.

Firemen administered oxygen, then sped the youth to the hospital. The tot quickly coughed up his trouble — a small moth, still very much alive.

'CURRICULUM FAIR' FEATURES SCHOOLS
Jefferson Elementary School District will host hundreds of parents this Wednesday evening, Thursday, and Friday at 8 p.m. in the Benjamin Franklin School multi use room on Stewart avenue in Broadmoor.

The occasion will be in observance of "America Education Week" and marks the districts first "Curriculum Fair." Those who attend will have an opportunity to hear, see, and discuss various aspects of the educational program.

After the panel discussions, the panelists will be in charge of booths which will display the materials they utilize in carrying out their specific responsibilities in relation to the educational program.

The program has been divided into three evenings with a different panel and moderator for each evening. It is suggested that those who cannot attend all three evenings pick those sessions which are of the most interest to them.

THE RECORD photo

JEFF HIGH PTA expects a sizeable turnout this Thursday night in the Little Theater when the regular monthly meeting will feature these teachers explaining the audio-visual aid program. Left to right are: Arthur M. Carr, audio-visual director of the high school district; Ray Lorenzato, art instructor; Mrs. Marion M. Kramer, teacher of speed reading; Donald A. Carlson, art and industrial arts instructor, and Durant W. Mosley, head of the Jefferson industrial arts department. The program begins at 8 p.m.

JESD Board In Turmoil On Architect

(Continued from Page 1)

Mario Ciampi and the American Institute of Architects also are disgruntled. Ciampi originally was given board authorization to design the Abe Lincoln and Thomas Edison sites.

A spokesman for the AIA last Monday night told trustees that McSweeney did not submit a "bid" for his services, as was published in this newspaper. The AIA representative said "fee" was the intended term, since "bidding" would be in violation of the AIA's professional code of ethics.

Trustees have not disclosed to the public what McSweeney's "fee" will be. They have also been challenged for this discrepancy.

OIL

There are more than 12,000 businesses producing oil in the United States, reports the National Automobile Club. The largest of these businesses doesn't produce as much as six per cent of the total U.S. output.

Mayor 'Alone' In Vote On New Architect

(Continued from Page 1)

Calhoun's report.

The council, after lengthy discussion with insurance agent Fred Martin and his attorney, David Friedenberg, held over until December 4 Calhoun's report.

The latter's request that the city's fire insurance coverage be let out for bid.

Martin, not a member of the North County Insurance Agents Association, declared he could not understand why the fire insurance was not put out to bid like other city insurance policies. He charged the agents association violated its by-laws by denying membership to certain Daly City agents and reminded the city could save money if it let the fire coverage out to open bid instead of giving it entirely to the association.

Friedenberg said the current city practice of restricting the fire insurance to the association was not in keeping with the competitive system and "contradictory" in view of other city insurance practices. On motion of Councilman

Joseph Verducci, the council instructed City Manager George Watts to prepare a report on the association's membership and a recommendation on putting the fire coverage out to bid.

Watts said his only concern was that the city get the best possible fire insurance coverage at the most economical rates. He answered that he was satisfied with the association's present fire coverage.

In other main agenda business Monday, the council: 1. Asked for a police department report on curfew violation problems. This followed a letter from county supervisors asking cities to tighten up on teenage enforcement. City Attorney Paul Hupf said there was some question as to validity of the county ordinance on curfew and he would check further with the district attorney.

2. Set meeting with KIP Workshop representatives for study session on December 4. The youth organization, organized by Mrs. Kay Irvine, is seeking a central clubhouse here.

3. Moved to hire appraisers for 150x150-foot firehouse site on land adjacent to Westmont High School. The high school district's asking price, based on its appraisals, is \$12,550, the original cost of the property.

WHO CARES ABOUT SALES TAX?

Daly City councilmen got back to business Monday night with a lengthy agenda featuring lengthy arguments on fire insurance coverage and the new Palisades reservoir.

Whether by intent or just outright neglect the city fathers skipped past the sales tax issue. Not a word was uttered about the long-standing and much-opposed levy.

The council has continued to sidestep the sales tax issue. This is a completely awkward maneuver and isn't fooling the public one bit.

The promises made at election time by the three successful candidates apparently have vanished into thin air. Their biggest pledge was to junk sales tax as soon as possible.

Does the council think the citizens of Daly City are content to "wait until next year" before they have the opportunity to vote sales tax out at the polls?

The council would be more than wise to make its sales tax stand clear. Remaining mum is political folly—even though election time is far in the future.

Letters To The Editor

T. Louis Chess, New Supervisor, Lauds Coverage

Dear Mr. Bradshaw:

May I express my sincere appreciation to you and the members of your newspaper staff for the courteous treatment given my candidacy for county supervisor in the news columns of the WESTLAKE TIMES and THE RECORD.

My success at the polls last Tuesday was due in large measure to the fair manner with which the campaign issues were handled in your newspapers.

I also wish to thank the many fine residents in the Daly City area for their voting support and assure them that I will do everything possible to justify their confidence.

Sincerely,
T. Louis Chess
County Supervisor

KIP Director Cites Progress Of Youth Unit

Dear Mr. Bradshaw:

May I, through THE RECORD, thank the generous people who aided KIP with Halloween program?

KIP is indebted to Stockton Lumber Company, which supplied the use of lumber for an outdoor canopy. Joe Di Maggio supplied spotlights.

John Rachione has undertaken to beautify the grounds of Kiphaven, our home, which we are using for a community center for all kids.

One hundred and twenty-five were present at the KIP Halloween party and outdoor variety show. Kids came from SF, SSF, as well as Daly City.

It may interest the people KIP's home town, Daly City,

The Town Record

By Roy Hurlbert

Municipal Judge-elect Charles Becker took an out-of-town breather after his rather close election win.

The brief vacation had one pitfall. Charlie and the missus ran out of gas on the way to the airport.

Prediction: Johnny Swanson's Westlake Bowl, due to open very soon, will be one of the most popular sports palaces in Northern California. It has everything.

John Putkey, a real wit who writes the DC-Colma Lions' Club News sheet, offers another gem for posterity.

Commenting on the general election, John reports: "The word Democrat is no longer a dirty word in our club."

The district attorney recently ruled that there is no conflict of interest on the Jefferson Elementary School board. Seems trustees Mike Callan and Frank Verducci were challenged in connection with negotiations for new school sites.

Callan, a builder, had nothing to do with the particular conflict-of-interest charge regarding the site near old Edgemar road, nor did Verducci, a San Francisco school teacher, in the dispute with SF city and county officials for the new General Pershing School.

The Lions, incidentally are a mite proud of their Lionesses. The ladies proved proficient with hula-hoops at their recent barbecue.

They'll never match Melford Battye, the man who claims he invented the movement.

Superior Court Judge Frank Blum, Daly City's favorite son, can't win for losing...or can't work for loafing.

Frank was recently given the OK by his medics to return to the bench after a major stomach operation. Few days later he came down with yellow jaundice.

Is there no justice for the justice?

If you thing teaching is easy, you should have been with us on a recent trip to Jeff High. We had a picture assignment with five instructors. Each seemed all pooped out. But they love their work. And the kids.

Doelger, Staff Guests Of Local Missile Unit

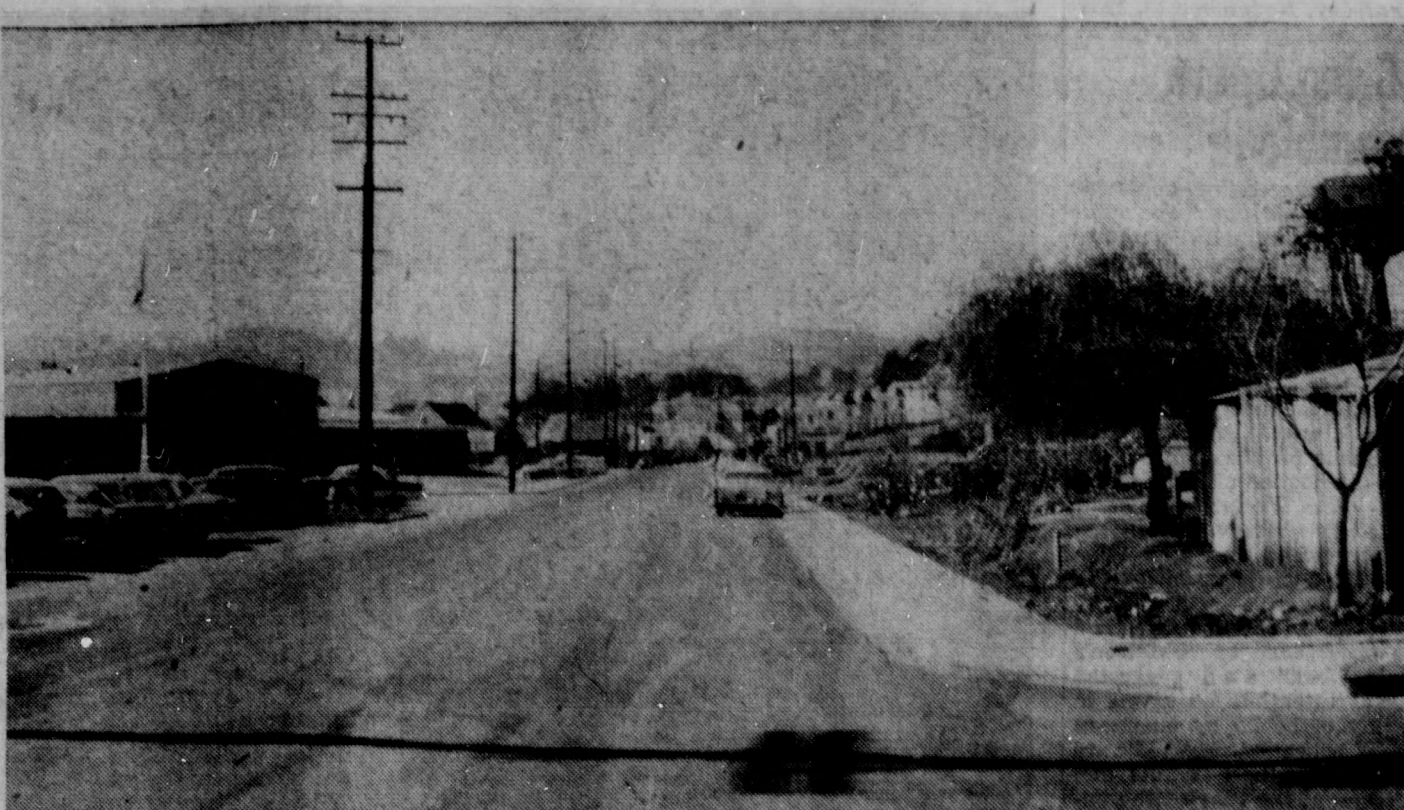

Builder Henry Doelger and his staff last week gave the United Crusade drive a "lift" when they visited the local guided missile center, operated by Battery A, 4th Missile Battalion, 61st Artillery.

Doelger, his brother, John, and U. R. Kendree, managing director of Westlake Shopping Center, enjoyed luncheon with battery personnel and were conducted on a demonstration-tour of the defense unit.

Doelger presented a wrist watch and a gift set to the men of the unit, which were used to raise funds for the United Crusade. This contribution brought the battery's Crusade donations to the 100 per cent mark.

Capt. Jack B. McGurk, battery commander, briefed the visitors on the Army air defense mission and showed them a motion picture of the NIKE-Ajax in action. The party then toured the missile launching area and were shown what procedures are taken by the men in emergencies.

On hand to greet the Doelgers and Kendree during the visit were Lt. Col. Ernest Whitaker, battalion commander, and Major Conrad Mannes, battalion executive officer.

HERE'S what an almost \$100,000 improvements job did to busy Market street in front of heavily populated Colma School. The city, county and near by property owners footed the costs to bring the once-hazardous street up to major status. THE RECORD photos

XMAS SEAL DRIVE BEGINS HERE FRIDAY

An American tradition, more than half a century old, will be renewed this Friday when postmen deliver Christmas Seals to 8000 homes in Daly City and Colma.

"There has been no inflationary effect in the cost of Christmas Seals in 52 years," county Seal Sale chairman Mel K. Dollinger pointed out. "The Seals cost \$1 a sheet when they were first sold in 1907, and they cost \$1 a sheet in 1958. Not only the price, but the purpose of the Seals has remained constant: to fight tuberculosis."

"Great strides have been made in this fight in recent years, but the battle is far from being over," Dollinger declared. "The greatest successes so far have been in the saving of lives by earlier diagnosis and better treatment. Now is the time to mount an all-out offensive against TB. With tuberculosis striking one American every six minutes, it is plain that not enough is being done to prevent the disease, although much is being done after it has struck."

Dollinger added that a part of every dollar sent to the TB Association for Christmas Seals will be spent for this important research. The rest will be spent to hold and further the gains already made through health education, case finding, and rehabilitation.

Station Wagon Is Burglarized

Mrs. Marion M. Ford, San Francisco housewife, lost property valued at almost \$150 to a thief who invaded her parked station wagon at Westlake Shopping Center last Friday night.

The culprit took the spare tire, a movie camera and a set of dishes. The theft was between 6 and 7:15 p.m.

Teenager Injures Knee...Dancing

A 16-year-old San Francisco teenager dislocated her knee Saturday night while dancing at a friend's home in Westlake.

Gwen Bannion told Junipero Serra Hospital attendants she fell while executing a fast dance step. She was transferred to Children's Hospital.

Red Bluff Rancher Won't Forget DC

Terry Elliott, 27-year-old rancher from Red Bluff, won't forget either the Grand National Livestock Show or Daly City.

He returned to his room at Mission Bell Motel Friday afternoon and discovered his 1 1/2 carat diamond ring missing. It is valued at \$1500, he told police.

TUESDAY IS TARGET DATE ON 'CRUSADE'

Target date for the United Crusade campaign in San Mateo County is Tuesday November 18, and last-minute efforts are being exerted in all parts of the county to fulfill the goal of \$666,874. All workers of the residential divisions of North San Mateo County have been striving to put their communities over the top.

"To all those who have not yet given, by whatever means you wish," urges Mrs. Robert Whitehead, North San Mateo County co-chairman for the residential division, "A Big Give insures that 25 San Mateo County agencies do not have to approach you again to meet their financial needs. Whether our United Crusade quota is met—falls short of surpasses it—San Mateo County's goal will make a real difference. It will make a difference in medical research and care for disease victims; it will make a difference in the quantity and quality of services available to troubled families; it will make a difference in shock funds available to meet disaster; your gift will make a difference in training youth for citizenship; it will make the difference in how our voluntary, private social agencies are able to maintain and expand their services to all the community. Do give a fair share."

The final report meeting will be held next Tuesday at the Elks Club in San Mateo with the press throughout the county as special guests. Persons who have not been contacted, for donations may call Mrs. Jack A. Hurt, Daly City-Colma area chairman, PL 6-3691, or may mail pledges to the United Crusade office, 2297 El Camino Real, San Mateo.

Minus His License

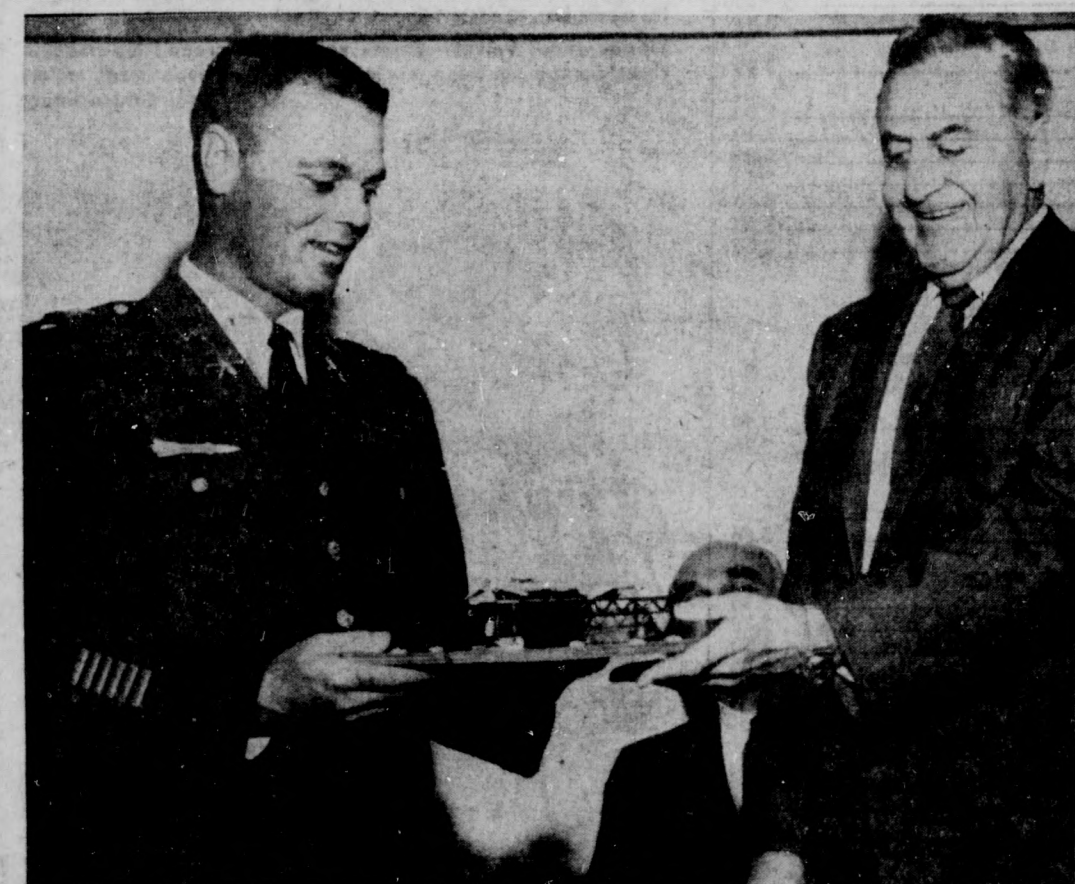

George M. Thompson, 22, of 38 Frankfort street, was picked up by Daly City police last week on a warrant for driving with a suspended license. He posted \$250 bond and is due in municipal court this Thursday.

New Zealand Woman YWCA Speaker Here

Next Tuesday, November 18, the YWCA's North San Mateo County Unit will hold its regular monthly "Forum" program. The speaker will be Mrs. Margaret Williamson, executive director of the YWCA in Wellington, New Zealand, who will tell about experiences and observations on her recent tour around the world.

The Forum will emphasize the YWCA observance of World Fellowship which is traditional for the month of November.

All YWCA members and their guests are invited to this meeting. It will be held in the Westlake Clubhouse, Westlake Park, at 10 a.m. Coffee will be served. A supervised playground will be available for young children.

Plans for the December Forum are under way. This Forum will be a noon luncheon at Joe's of Westlake to be held Thursday, December 11. Guest speakers will discuss the Christian celebration of Christmas and the Jewish observance of Chanukah.

'Pagliacci Singers' Bring Opera To Ben Franklin Assemblage

Opera comes to PTA once in a lifetime and this materialized Thursday night at the Benjamin Franklin School auditorium.

For those who were fortunate to be present, memories of the operatic selections will linger on. Theme for the evening was obvious by the appropriate decorations of hospitality chairman Mrs. L. E. Eagleton, who also arranged for the distribution of musical notes at the door.

President Mrs. Roy Milam called upon Vice-President and Program Chairman Mrs. Jack Berken to introduce "The Pagliacci Singers," a group from Redwood City, all former members of the San Francisco Opera company and who at one time or another had done concert and recital work throughout the country. Howard Albertsen, assistant musical director of the Cosmopolitan Opera Company in San Francisco was the accompanist as well as master of ceremonies for the group. His inimitable style of prefacing each of the operatic selections by Helen Albertsen, lyric soprano; Doris Marion, coloratura; John Rietman, baritone; and Carl Hunter, tenor, was received by the near capacity audience with spontaneous hilarity. Hunter is also a member of the school faculty.

The regular business meeting preceded the operatic entertainment.

President Mrs. Roy Milam asked VicePrincipal Harry Aronson to read the opening character thought, the prayer from the Ben Franklin yearbook.

Chairman Mrs. John Arnett submitted a report of the current membership drive and

contest, expressing appreciation to all for the cooperation in this successful venture. Membership awards followed: first place, Mr. Paulsen's seventh grade class; second place, Mrs. Johnson's seventh grade class; third place, Mrs. Herbert; Mrs. Crosby and Mr. Parks; fifth, sixth and seventh grade classes. Awards were also made for the highest parents attendance at PTA meetings. Miss Paciotti's seventh grade class received the September award and Miss Pelican's sixth grade class won the October award.

President Milam discussed the observance of "Children's Book Week" and suggested special attention be given to display of books by chairman parent education, Mrs. Edward Morgan, for both adults and children at the rear of the auditorium. Mrs. Milam mentioned the importance of the new Westlake library, requesting full participation in the movement.

Principal Fred Schweickhardt invited all parents and friends to attend the "Curriculum Fair" in the Benjamin Franklin school's multi-purpose room this week.

Mrs. Mona Baker, television and radio chairman, briefly reviewed "in-school viewing," television education, the paramount function of channel 9, KQED. She stressed the importance and necessity of building constructive programs that will enrich and supplement present class education.

Refreshments were served by fifth grade room-mothers.

San Bruno Church Presents Tahitian Feast Next Week

An unusual opportunity to participate in an authentic Tahitian feast will be offered Bay Area residents when Bethany United Presbyterian Church of San Bruno sponsors a benefit event November 21.

The "tamaraa," featuring delicious Tahitian food and South Seas music and dancing, will be a benefit for the church building fund. Reservations for the festive occasion, which will be held in San Bruno Navy Base Library, must be in by Sunday to allow ample time for the intricate preparation of the food. Former residents of Tahiti are in charge of the menu and entertainment, which will be authentic in every detail.

In addition to a menu featuring roast pig, chicken simmered in fresh coconut milk, and a novel fruit pudding dessert with coconut cream, the "tamaraa" will feature splendid entertainment.

Mrs. Patrick Nunes of Sharp Park, Tahitian by birth, will perform the "ori Tahiti" dance. Other entertainers are to play authentic Tahitian, Hawaiian and Samoan music. Dancers will interpret Hawaiian hulas and Samoan specialty dances. Steel guitar, ukulele and guitar accompaniment for vocal selections is planned.

Reservations can be made with Mrs. Elliott Denslow, JU 3-2783; Mrs. Hazen Schofield, JU 3-2925; or Mrs. George Hayward, JU 3-5011.

Bethany Church serves Presbyterians in South San Francisco, San Bruno and Millbrae. A site for the proposed church building has been acquired in Crestmoor Park, San Bruno. Dr. Roy W. Peyton is minister.

WILD RABBIT

About 70,000,000 pounds of wild rabbit are harvested every year in the United States, according to the National Automobile Club.

KRON FEATURE

Video's 'Explorers Of Tomorrow' Prepares Our Future Scientists

By MONA BAKER

In this age of supersonic missiles and rockets, space ships, trips to the moon... the nation's leaders are constantly warning us that the country will desperately need more scientists in the years ahead, and that something must be done to interest youngsters in a career in science. The California Academy of Sciences is doing something about it. Now beginning its third year on the TV lanes, "Explorers of Tomorrow," produced by the Academy and directed toward intermediate school boys and girls, is telecast every Sunday over KRON-TV at 1 p.m. as a public service.

With the noted scientist Dr. Robert T. Orr, of the staff of University of San Francisco and California Academy of Sciences as science interpreter, the program is opening up the fascinating world of science for youngsters and certainly demonstrating that science can be fun and absorbing. A wide scientific field is covered including discussion and demonstration on such subjects as biology, paleontology, rocks and minerals.

In addition on the show there is a science project demonstration by Harry Kanuck, teacher in Loma Vista School, Concord, California, and a scientific mystery object contest that youngsters have to identify as well as write a brief report on what they have learned on the show.

Girl Scout Council

Election of officers for the North San Mateo County Girl Scout Council will take place this Wednesday at 8 p.m. in the Daly City War Memorial Building. Girl Scout Leaders from the entire district are urged to attend.

Broadmoor Church Sends 24 Tons Of Food Overseas

The "Share Our Surplus" drive, conducted by the youth of Broadmoor Presbyterian Church, netted \$161.39 which will send 24 tons of food to needy people overseas, according to the Rev. Herbert Tweedie.

An earlier report erroneously said the Broadmoor drive

Produced by Benjamin Draper, one of the top producers of prestige programs in the country, the program has the enthusiastic support of schools around the Bay Area. According to Dr. Vinton Stratton, Assistant Superintendent of the Jefferson Elementary School District in Daly City, California, "such programs as 'Explorers of Tomorrow' provide valuable out-of-school learning experience for young people. In addition, they motivate in-class interest in the world of science and thus perform a public service of real merit."

Westlake Lutheran Delegates Attend Regional Convention

Last Saturday 277 women of the Golden Gate Circuit, Evangelical Lutheran Church, met at Grace Lutheran Church in Palo Alto for the fall convention of the Women's Missionary Federation.

Attending from Westlake Lutheran Church were the Mesdames: Kenneth Berven, John Giannopoulos, Herb Kraling, Jim LaChance, Rose Ross, Art Jaranson and Charles Christian.

The Women's Missionary Federation is composed of some 2900 women's groups in the congregations of the Evangelical Lutheran Church throughout the USA and Canada. As an auxiliary of the church, its activities include Missionary, educational and benevolent activities.

Mrs. Oscar Werner of Millbrae, president of the Golden Gate Circuit Women's Federation, will be the guest speaker at the November meeting of Westlake Lutheran Women. At this meeting, Mrs. Werner will also officiate at the installation of new officers.

This meeting will be held at 8 p.m. on November 25 at the home of Mrs. Kenneth Berven, 42 Montclair avenue, Daly City.

Electronic flash units used by photographers are powered by a sealed built-in rechargeable nickel-cadmium storage battery which has unlimited life. These units, which also have a built-in battery charger, will furnish as many as 150,000 flashes.

would send 300 pounds of food overseas.

Sheridan School 'Father's Night'

Sheridan PTA will hold a "Father's Night" meeting next Tuesday, November 18, at 7:30 p.m. in the school auditorium, 431 Capitol Avenue.

Theme is "Foundations for Better Education." The topic will be social studies at Elementary school level.

Classroom demonstrations will be presented by: Miss T. Gatsios, with Grade 1, and William Randall, with Grade 6. Sheridan School faculty will serve refreshments.

LEGAL ADVERTISING

INVITATION FOR BIDS VISTA MAR ELEMENTARY SCHOOL SLOPE DRAINAGE SYSTEM

Notice is hereby given that the Jefferson Elementary School District, San Mateo County, California will receive bids for the furnishing of all labor, material, transportation, plant and services for the Slope Drainage System for the Vista Mar Elementary School upon public school property located at Southgate Avenue, Bradley Drive and Brooklawn Avenue, Daly City, San Mateo County, California and all appurtenant facilities on the school site.

Each bid shall be in accordance with the plans and specifications and other contract documents now on file with the Board of Trustees of the Jefferson Elementary School District, San Mateo County, California and at the office of the Architect, MARIO J. CIAMPI, Associate Architects, Allyn C. Martin, Paul W. Reiter, 425 Bush Street, San Francisco, where they may be examined and copies obtained by General Contractors licensed by the California State Contractors License Bureau upon deposit of a certified check in the amount of \$25.00.

Bidders are responsible to see that they obtain a complete set of plans, specifications and contract documents covering the work upon which they submit a bid.

Bidders are hereby notified that the wage scale prevailing in this area has been adopted by the School District and is set forth herein below. The wage rate applicable for a craft not herein listed shall be the rate prevailing for said craft as adopted by the San Mateo Building and Construction Trade Council.

Bids for said project shall be made on the form that is included in the specification and shall be accompanied by a certified cashier's check or bid bond for at least ten (10) percent of the amount of the bid, made payable to the order of the Jefferson Elementary School District, San Mateo County, California; the bids shall be sealed and filed with the Board of Trustees of the Jefferson Elementary School District, 48 Park Plaza Drive, Daly City, San Mateo County on or before Friday, November 21, 1958 at 10:00 A.M. of said day when all bids for the Slope Drainage System for the Vista Mar Elementary School will be opened and publicly read aloud.

The above mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forfeited if the successful bidder refuses to enter into said contract.

The Board of Trustees of the Jefferson Elementary School District reserves the right to reject any or all bids and to waive any informality in the bid.

No bidder may withdraw any bid submitted by him for a period of 30 days after the date set for the opening thereof.

New Savings Stamp On Sale Tuesday At DC Post Office

Postmaster Vincent P. Murphy announced today the new 25-cent United States savings stamp will go on sale in the Daly City Post Office next Tuesday.

It will be available in gift books of \$2.50 and \$5 values, in addition to the customary sheet form.

The new red, white, and blue issue marks the first time that savings stamps have been printed in more than one color, according to Murphy. It will continue to feature the "Minute Man," as on old green stamp, but the American flag has been

added to the background.

"The Gift Books will be especially appropriate as the Christmas season approaches," Murphy pointed out. "The \$2.50 book contains ten 25-cent savings stamps, the \$5 book 20 stamps—and there's no extra charge for the book itself," he added.

At present, only the 25-cent denomination will appear in the patriotic three-color theme. However all other Savings Stamps will continue to be sold: the 10-cent stamp in red, the 50-cent in blue, the \$1 grey, and the \$5 brown.

The West is Wild ...about Borden's Holiday Fixin's

'Minsire' Show Tickets Are Still On Sale

In addition to making final preparations for the "Grand Old Minsire Show" to be held in Our Lady of Mercy Parish hall, Friday, Saturday and Sunday, November 21, 22 and 23, the "Last of the Old Time End Men" would like to discount all rumors that these shows are already a sell out.

Tickets may still be obtained by calling Ed O'Donnell, PL 5-9358, or Robert Carberry, PL 5-8486.

Some Saturday matinee tickets are also available.

76 Rotary Anns Join Their Gents For Luncheon Meet

Daly City Rotarians hosted their ladies at last week's luncheon meeting and a record number of 76 Rotary Anns enjoyed the proceedings.

Guest speaker on the topic of "Retirement" was Robert Saxe, "a very spry gent of 76 years," according to Herbert Sharpe, Rotary president.

Sharpe noted that in the past few weeks attendance at Rotary meetings had been "excellent."

THERE'LL Be A Hot Time In The Old Hall Tonight! is what the Westlake Men's Club chorus is singing in preparation for the first annual "Grand Old Minsire Show" in Westlake. With Colonel James Collins directing, the show will run three nights, Friday, Saturday and Sunday, November 21, 22 and 23. Since the Saturday matinee is almost a sellout, call PL 5-9358 for tickets to the other performances.

BRISBANE folks swell with pride because of the fine performance of the Intermediate School's Drum and Bugle Corps, organized recently by Chester Calderia, music teacher. Frank King photo

Nickel combines readily with other metals and as an alloying element helps to impart to them its qualities of toughness, corrosion-resistance and strength and resistance to oxidation at high temperatures.

WHAT'S DOING

A. C. Latino, your Telephone Manager, in Daly City

The long pole in the hands of this telephone man looks like just the thing for fishing. But it's not a fish he's after; it's trouble. He's giving that cable a "bubble bath," spraying it with a gummy, liquid solution. If the cable is damaged, air will escape through the cracks and form bubbles along the cable. And that's our cue to make repairs swiftly, so your calls won't be affected. In this and many other ways, we keep close tabs on your service. This keeps your phone working more dependably—makes our service better.

These folks have their eyes on a bargain—a whole list of bargains, in fact. They're looking over the out-of-town telephone rates on the inside cover of their phone book. It's interesting to see how many places you can call—so little money. Why don't you check the sample rates in your directory. And surprise an out-of-town friend or relative with a call tonight. Pacific Telephone

MAKING their home here after recent nuptials at Holy Angels Church are Angelina Cynthia Rossi and Leo Frederick Hogue. The bride is a native of Daly City. The benedict is from Redding, California. Kaufman Studio photo

GOOD SHEPHERD WOMEN AWAIT FASHION SHOW

Ladies of the Church of the Good Shepherd in Sharp Park will present their annual fashion show, this time entitled "Bags and Sacks," next Wednesday night, November 19 at Sharp Park Elementary School, starting at 8 p.m.

Jay Vee Shop of Westlake will supply the fashions. Proceeds will go into the church building fund. Reservations may be obtained by calling Joyce Bushard, EL 9-2106 or Carmen Schupert, FL 5-6333.

Tea Is Cancelled

Skyline Chapter B'nai B'rith today announced that its scheduled membership tea, next Tuesday, has been cancelled indefinitely, according to Mrs. Norman Tauber, unit publicity chairman.

CHILD-CARE PLAN AIDS WILSON PTA

Woodrow Wilson PTA's executive board took another step last week to bolster participation in regular meetings.

The board appointed Mrs. James St. Martin to chairman a child-care committee. The plan calls for two parents and a teacher to supervise children in a room at the school on PTA meeting nights. This is intended to encourage more mothers and fathers to attend the sessions.

Next Woodrow Wilson regular meeting is scheduled for Tuesday night, November 18, starting at 7:30 p.m. in the multi-use room. "Fathers' Night" will be observed, according to Mrs. Maurice Clark, PTA president.

The public is invited to an evening of dancing and entertainment this Saturday evening in Room 1, Veterans War Memorial Building, Van Ness avenue and McCallister street, given by Zane Irwin unit No. 93, American Legion Auxil-

Sea Specimens Interest Pupils At Woodrow Wilson

Cockle shells, starfish, sand dollars, barnacles, periwinkles, and limpets recently were brought to Mrs. Jane Watson's second grade class at Woodrow Wilson School.

Mrs. John D. Jennings and her daughter, Sandra, gathered the sea animals during a low tide and brought them alive in sea water.

Mrs. Jennings, robin mother, gave such an interesting account and shared so many specimens with the children that they have been stimulated to gather many shells.

Mrs. Margery Yates, district consultant, observed that the children were having some difficulty in classifying the various shells. She secured some books from Mrs. Ruth Fisher, district librarian.

One student, Paula Guridi, caught a starfish. It is now drying in the furnace room.

January, starting at 9 p.m.

General Chairman Elinor Mortimer and Mrs. Cleora Amick, president of the unit, announce the music will be provided by Ernie Bala and his orchestra and entertainment by Henry Craft, soloist.

Indian Footballers Outplayed Again, 13-7

Palo Altans Hand Jeff 6th Loss

Moving towards the home stretch in one of the school's worst seasons, Jefferson High's varsity footballers this Friday again will be short-enders when they travel to clash with the much-improved Burlingame Panthers.

The Peninsula League battle begins at 2:45 o'clock.

Coach Joe McGrath's Indians suffered their sixth defeat here Friday, holding machine-like Cubberley of Palo Alto to a 13-7 margin. It was the third practice game loss for the locals. They share the league cellar with luckless San Mateo.

Burlingame last week knocked Capuchino from the top spot with a 7-0 win. This revival put the boys of Elmer Schaeke back in the title picture. Burlingame is getting better each week, though Hillsdale (4-0) should go all the way.

Cubberley found Jeff very stubborn and led only 7-0 at the midway mark. The Cougars and the Tribe both hit the scoreboard in the final period, the latter on a 35-yard pass play from quarterback Jerry Kennedy to flanker Vic Lewkowitz.

As has been the case all season, McGrath's thin first-stringers failed to produce any sustained drives. All-League candidate Pete Garcia again carried the load—but one big man can hardly get the job done.

The Indian line, led by guard Bob Nielson, was out-muscled (by weight) from start to finish. Garcia did get some field back help from Kennedy and steady Jim Ahern. The latter is the league's most underrated regular.

Rice St. Fire Damage \$1500

A fire of unknown origin caused \$1500 in damages to the home of Harry Higgins, 27 Rice street, last week while the family was away from home for the evening.

Fire Battalion Chief Frank Specht said most of the damage was to furniture in the front room. Company 2 and volunteer firemen had the blaze under control in a few minutes.

DIESEL PISTON RINGS

Piston rings for marine diesel engines are made of nickel alloyed cast irons because of their wear-resistance and ability to retain their spring characteristics at elevated temperatures.

AMATEUR BOXING HERE

OLPH Presents Top Ring Show Tonight

A near-capacity crowd is expected this Thursday night when Our Lady of Perpetual Help Men's Club again presents a first-rate amateur boxing show at Daly City War Memorial building.

The eight-bout card, featuring Northern California's outstanding Golden Gloves performers, begins at 8 p.m. The bouts will be four-rounders.

Matchmaker is veteran Natch Rivera. Program chairman for OLPH is Walt Gillies. All of the boxers are licensed and supervised by the State Athletic Commission.

Two Daly City boys, Bobby Vargas, a 135-pounder, and Al Andrews, 138 pounds, will be performing for the first time before a home crowd.

Tickets are on sale now and will be available at the door Thursday evening. Ringside reserved is \$2. General admission is \$1 for adults and 50 cents for children.

Dick Liberty, OLPH publicist, says advance sales indicate a turnout of almost 900 fans. This is OLPH's third year of presenting top-flight amateur ring shows here. Attendance in the past was exceptional.

Tickets may be secured by calling Father James Bergin at OLPH, PL 5-2377, or Liberty, JU 8-3215.

Proceeds will be used by the parish men to aid youth activities here.

The OLPH men will present another amateur card at War Memorial building early next month.

PLATINUM PRODUCER

An important source of platinum is the Canadian nickel industry, which recovers platinum metals along with gold and silver in the refining of nickel and copper.

JERRY Kennedy, Jeff High's strong senior quarterback, got five yards on this up-the-center move Friday when the Daly City eleven gave Cubberley of Palo Alto a real scare, losing only by 13-7. The visitors scored the clinching six-points on the final play of the game.

THE RECORD photo

South City Streaks By Weakened Rams, 20-13

Hopeful that two of their best runners will be back in action, Westmoor's varsity griders Friday will be out to upset unbeaten Hillsdale in a Peninsula League scramble at San Mateo.

Coach Pete Matisi's Daly City eleven, minus fullback Bob Roller and halfback Tom McHugh, last week lost a crucial 20-13 battle here with scrappy South San Francisco. The defeat gave the once-contending Rams a 2-2 mark, with Hillsdale and strong Capuchino next on their slate.

Matisi was pleased with the effort his weakened squad turned in against South City, citing in particular reserve halfbacks Dave Vogl and Webb Parker. Quarterback Dave Simmons again showed top form for the Rams, firing for 171 yards and a touchdown.

The Rams led South City 13-0 in the first quarter on a 71-yard Simmons-to-Larry Schoenfeldt pass play and Vogl's five-yard burst up the middle. South City roared back in the next period to lead 14-13 at halftime. The visitors punched over for the third time late in

the final quarter. Matisi's lineup last week contained five sophs, four juniors and senior vet Paul Gioni, at guard, and end Schoenfeldt.

This Friday, Westmoor's front wall will have Schoenfeldt and Bob Dickey at ends, Andy Saranchock and Jerry Evans at tackles, Gioni and

Larry Siegel at guards, and Jim Wade at center. Roller and McHugh, idled by hip pointers, could make the difference against the league leaders.

Not So 'Helpful,' So He's Jailed

Hugo D. Marchetti, 51, an operating engineer, was a little too "helpful" to Daly City policemen Saturday night.

Officers James Bergstrom and Robert Crocker booked him on a drunk charge after he interfered with them as they attempted to investigate a traffic accident at the Market-Mission intersection.

Marchetti, of 200 Los Banos avenue, is due in court next Tuesday.

Jeff Band Travels

Jefferson High School's marching band will perform this Saturday afternoon and evening at San Jose State College's homecoming parade and game with Fresno State.

105 Enrolled In Jeff Nite Swim Program

Director Mike Orlich today said that 105 adults are enrolled in the two beginning swimming classes on Wednesday nights at Jefferson High pool.

The signups were so heavy Orlich had to split the beginners into two groups. One group swims from 6 to 7 p.m., immediately followed by the second group.

For information on the Jeff pool schedule call Orlich at the gym office, PL 5-2511.

THE Yankees of Daly City's Police Athletic League were awarded medals Friday for going unbeaten in winning the South City-Daly City Baseball League. Front row, left to

right: Bill Jones, Wayne Podesta, Barry Martin, Roger Kucich Jr., Dave Rossi, Al Banfield, Bob Molossi, Mike Dirickson. Second row: Jack Carpsials, James Belfrage,

James Crane, Dan Ordoney, Rich Pacini, Bob Doyle, Mike Kernich. Rear: Coach Art Martin, Manager Roger Kucich, PAL President John Coleman, Asst. Police Chief Roy Mc-

Laren. The Yanks scored 74 runs in five loop games. Their season record was 32 wins, 19 losses and one tie.

Five Westlake Teams Enter CYO League

Westlake Catholic Men are sponsoring five teams in the CYO boys basketball league.

Interested Westlake boys, 10 through 14 years of age, have been divided into five separate classifications, based on height, weight and age, and will compete in league play against similar teams from the San Francisco area.

Although league play is not scheduled to start until January, the Our Lady of Mercy teams have been practicing the past month.

Practice games have already been played against teams from Epiphany and All Hallows. In the most recent game the 90-pound team lost a close 43-39 decision to All Hallows. The starting lineup for the Westlakers was Neil Locke, Ken Torre, Dave Nelson, Bob Buccell and Mario Beltramo. Neil Locke scored 12 points for Our Lady of Mercy, while Torre and Nelson tallied 9 and 8, respectively.

Mike Wall led the OLM 100-

RAM RUNNERS FAVORED IN TITLE QUEST

Westmoor's unbeaten varsity cross country squad is favored to win its second straight title this Friday afternoon when the Daly City school hosts the 1958 Peninsula League championships.

Coach Ernie Ribera's Rams finished the regular season with a 7-0 record last week by downing the Jefferson varsity, 17-44. Capuchino, 6-1, and San Mateo, 5-2, will give Westmoor the most trouble in Friday's varsity showdown.

The Ram jayvees, also unbeaten, defeated Jeff last week, 17-40, while the Jeff frosh-sophs triumphed, 19-37.

Dave Dunbar of Westmoor won the varsity race, followed by teammates Bruce Ryner and Phil Anderson. Joe Vaez of Jeff took fourth. Next came Westmoor's Lanny Buccelli, Jim Buccelli and Ed Dowdall.

pounders to a 25-23 victory over All Hallows with 13 points. Chris Trapani scored 7 in the encounter. Other boys aiding the victory were Dennis Cassidy, Bill Kichen, John Volke, George Tracy, Jim Nash and Terry Meyers.

JEFF QUINTS HOLD SECOND IN 2 LOOPS

Jeff High's lightweight cagers stayed high in Peninsula League standings Monday by downing Hillsdale in the 10's, 37-24, and in the 20's, 44-36.

Last week the Indian 10's fell short in their title bid by dropping a 20-18 nod to league-leading San Mateo. The Mateans are 11-1, while Coach Mike Orlich's 10's are now 9-3. The San Mateo 20's also downed Jeff, 42-39.

Sonny Stoller, with 15 points,

HUGE ORE BODY

The nickel-copper ore body of International Nickel's Frood-Stobie Mine in the Sudbury District of Ontario is almost two miles long and more than 4,000 feet deep.

and Bobby With, with 12, led the Jeff 20's past Hillsdale. Mike Kennedy bagged 14 and Roy Rivera 12 for Orlich's 10's against the Knights.

The Jeff 20's are in second place with an 8-4 record. Cap and San Mateo are tied for first with 9-3 marks.

The Indian fives this Thursday meet Mills here. Next Tuesday they host South San Francisco to complete the sea-

FOR EVERY KIND OF FENCE - IT'S STOCKTON'S Home Craftmen's Supply

FRANK BRICKER, Daly City resident of 313 Peoria street, amazed Lassen County old-timers when he bagged this 200-pound seven-point black-tail buck on a recent expedition with his brother, Fred, of Marchbanks Publications. Fred got a 120-pound 2-point blacktail. Frank's deer was the biggest downed in that neck of the woods in several years. It took the brothers three hours to retrieve the bucks from the mountain top.
